CPD Supplier Engagement Event 16 March 2018

- Are you working in a micro or small enterprise?
- Do you want to find out how to compete for government contracts?

Central Procurement Directorate (CPD) is the leading public procurement organisation in Northern Ireland, carrying out a wide range of procurements on behalf of central government departments and arm's length bodies each year.

CPD is hosting a Supplier Engagement Event on 16 March 2018. The event is targeted at micro and small enterprises who lack experience in competing for public sector opportunities and want to know more about the tendering process, including how to use the eTendersNI portal.

Supplier organisations attending will be allocated a 15 minute slot with a CPD procurement advisor to answer your questions.

The event will take place in Clare House, 303 Airport Road West, Harbour Estate, Belfast from 9.30am to 12 noon.

Meetings will be allocated on a first come, first served basis. If you wish to attend, please email procure.info@finance-ni.gov.uk and provide the following information:

- Names of supplier representatives wishing to attend (maximum three)
- Name of the organisation
- Short summary of the products / services / works your organisation is interesting to supplying to the public sector
