CPD Supplier Engagement Event (North-West) 24 September 2019

Do you want to find out how to compete for government contracts?

Construction & Procurement Delivery (CPD) carries out a wide range of procurements on behalf of NI central government departments and arm's length bodies each year.

CPD is hosting a Supplier Engagement Event on **Tuesday 24 September 2019**. The event will take place in the Guildhall in Derry/Londonderry.

The event is targeted at micro / small enterprises who lack experience in competing for public sector opportunities and want to know more about the tendering process, including how to use the eTendersNI portal.

Each supplier attending will be allocated a time to attend for a short appointment with a procurement advisor. Meetings will be allocated on a first come, first served basis.

The meeting will be informal and is designed to let you ask any questions about the process of competing for central government contracts (no matter how basic!), and find out which tender opportunities are in the pipeline.

If you wish to attend, please email procure.info@finance-ni.gov.uk and provide the following information:

- Names of supplier representatives wishing to attend (maximum three)
- Name of the organisation and short summary of what you supply
- Your choice of meeting a 'construction' advisor, 'supplies and services' advisor, or an 'eTendersNI' advisor
