## **RFQ REF: 229881**

### **Riverine Valuation Services**

Competent Facilitators are hereby invited to tender for the delivery of valuation services for the Riverine Community Park project Lifford Co. Donegal.

The Riverine Community Park project proposes to create thirty acres of new community park space and infrastructure at Lifford and Strabane. It proposes to create a neutral, shared space by utilising agricultural land and wetland along either side of the border.

All relevant information relating to Riverine Valuation Services processes including detail on all live competitions can be accessed via the following link:
