“Thriving Together” – Collaborative Interaction Programme - Sustaining Cross Community relationships

Competent Suppliers are invited to submit detailed proposals for the design, coordination, and delivery of the Sustaining Cross-Community Relationships Programme across Newry, Mourne and Down.

These seven standalone cross-community projects—one in each DEA—will engage individuals and communities who are not typically involved in peacebuilding. Through structured contact, facilitated dialogue, and capacity-building, the programme will strengthen relationships, empower communities, and support the development of shared visions for local areas. This work will contribute to the gradual removal of psychological and physical barriers and promote long-term reconciliation.
