

## CONTRACT NOTICE - BELOW TRESHOLD

### Contracting Authority name:

CPD - Supplies and Services Division

### CfT Title:

DfE - Technical Review of Connecting Europe Facility Grant Funding Claim

### Description:

The Client requires a review exercise to be performed on the second Grant Agreement between the Developer and the EC which covers activities relating to front end engineering design (FEED) studies. The Contractors remit will be to examine the Developer's technical report against Actions specified in the INEA Grant Agreement No; INEA/CEF/ENER/M2015/1118496, and provide confirmation to the Client that the work has been carried out as reported. This is NOT a request to complete a detailed technical review or reassessment of the Developer's design proposals, other actions or to suggest an alternative approach, but is to confirm that the actions which the developer has noted as having been completed are in accordance with the requirements specified in the Grant agreement. The Developer's technical report has been prepared. The Developer will produce a financial report also, which will be subject to a separate report by an auditor engaged by the Client – you will have access to the financial report on request once it is ready. The technical report will be made available to the consultant upon award. The Contractor will be expected to commence work in Mid June 2019 on reviewing the technical report of the CEF grant claim from the developer. The Contractor must provide a final report of their findings to the Client by 31 July 2019.
