

CONTRACT NOTICE - BELOW TRESHOLD

Contracting Authority name:

Fermanagh and Omagh District Council

CfT Title:

Tender for Environmental Improvement Scheme, Foundry Lane Omagh REf 2324 TNDR CP 038

Description:

Fermanagh and Omagh District Council invites applications from Contractors to be invited to Tender for the Contract to provide Environmental improvement works at Foundry Lane, Omagh. The environmental improvement work includes the installation of new reconstituted granite top concrete paving, surface water drainage, ducting and lighting improvements and will require careful pedestrian management and public liaison by the contractor during the construction works. The works will incorporate the following but not be limited to • Removal of existing paving, kerbing, street furniture and lighting • Provision of new reconstituted granite top concrete paving and kerbing to selected areas • Provision of new surface water drainage • Ducting and services installations • New lighting and electrical services • Phasing of works to ensure minimal disruption • New Street furniture
